

Economic + social rights before Covid-19

New Zealand was already falling well short

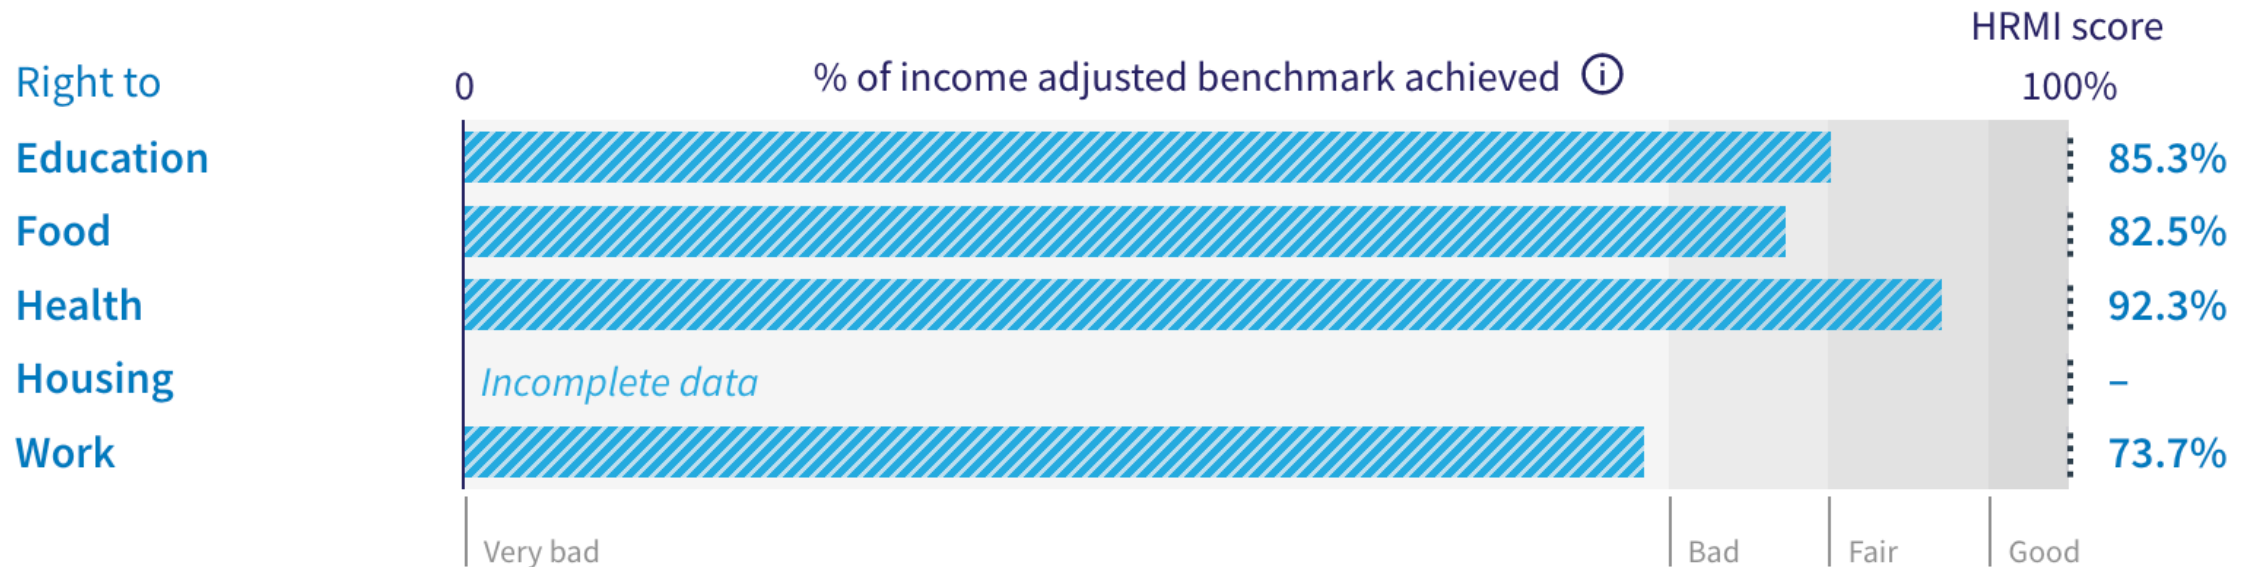

Quality of Life

Economic and Social Rights (2019)

Summary score

N/A

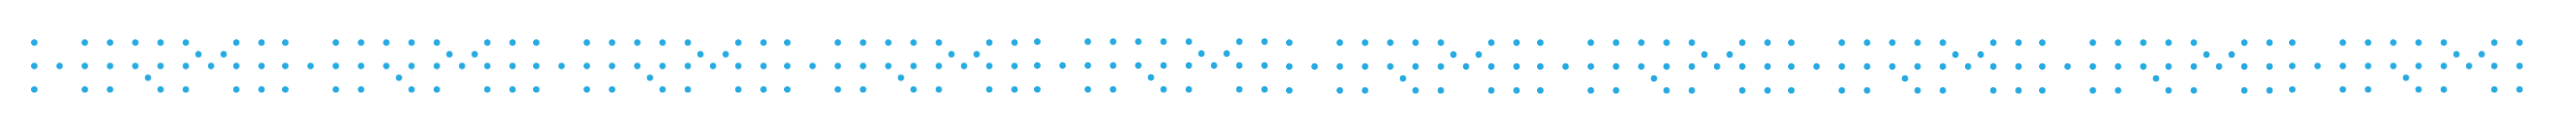

How well is New Zealand doing compared to what is possible at its level of income?

Screenshot from RightsTracker.org

The effect of the pandemic and response

- Wide range of rights curtailed by the pandemic, and by government responses
- Economic and social rights were the most badly affected
- Covid-19 is a *human rights* crisis
